Reading

1. Read the article about Megan and her unusual hobby. Then answer the questions.

AN UNUSUAL HOBBY!

Megan Yates is a normal British teenager. She goes to school from Monday to Friday. She usually does her homework in the afternoon and she often goes out with her friends at the weekend. Her friends like listening to music and playing computer games but Megan has got an unusual hobby. She loves cooking.

Megan would like to enter the Young Chef of Britain Competition. This competition is for young people who are between 11 and 17 years old. They need to cook a complete meal for two people. The menu needs to be healthy and the food can’t cost more than £15. The first prize is a trip to Italy to learn about Italian cooking and food.

At the moment, Megan is practising for the competition in the kitchen. She’s cooking for her family. The main course is paella, which is a Spanish rice dish. She’s also making carrot cake with ice cream.

1. What does Megan like doing in her free time? ______________________________________
2. The Young Chef of Britain Complete is for people ______________________________________
3. How much money can the chefs spend on food?_______________________________________
4. The winner will _______________________________________________________________
5. What is Megan doing now? ______________________________________________________
