

STUDENT 1

Read the statement and the question below and choose ONE of them.
Do you agree or disagree with the statement? / What do you think about the question? Provide relevant examples, explanations and details to support your opinion. You have three minutes to prepare for your talk.

Working from home is much better for productivity than working in a traditional office.

OR

If you could learn any new musical instrument, which one would you choose and why?

You can take notes here
