GENERAL INFORMATION

1. Candidates will submit their initial applications online using the username and password they created through the Application System.

2. During the initial online application, it is mandatory to upload the originals and Turkish translations of your **diploma/graduation** certificate and **transcript** to the system. Additionally, a valid passport (blue card holders may submit their blue card instead of a passport) or a valid residence/work permit document issued in Türkiye must also be uploaded to the system. **Documents must be legible and of high resolution**. Documents that are unclear to the point of being incomprehensible **will not be considered under any circumstances**. **All responsibility** for any loss of rights resulting from incomplete or incorrect information (scores, documents, etc.) lies with the applicant.

3. In cases where the candidates' graduation certificates do not include their grade point average on a 100-point scale, the grade corresponding to their graduation will be used in the application and evaluation process according to the 'Equivalents of Grades on a 4-point Scale to Grades on a 100-point Scale' table of the Council of Higher Education (YÖK).

4. All applicants must obtain detailed information from the current 'Application and Student Admission Guidelines' and 'Application and Student Admission Guidelines Appendix-1' (**Programmes for which Applications can be Made Based on Graduation**) at http://lee.dpu.edu.tr, which are the basis for application conditions and evaluations.

5. It is mandatory to upload a passport-sized photo (where facial features can be clearly identified) taken within the last 6 months to the application system. Applications from candidates who do not upload a passport-sized photo will be rejected if the required format is not uploaded by the end of the correction period given to them.

6. Applications submitted outside the application dates announced by the Institute Directorate, applications that **have not been completed** through the Application System, or applications with incomplete/incorrect documents **will not be accepted** under any circumstances.

7. In order for the application to be updated after approval by the Institute, the applicant must apply in person to the Institute during the application dates (working days and hours).

8. **Applications marked as editable** in the Application System by the Institute (incomplete/incorrect documents, photos, etc.) can be updated **by the applicant after completing the missing information**. It is of great importance for the applicant to monitor the status of their application through the Application System until it is approved, in order to **prevent potential loss of rights. In cases of loss of rights arising from such issues, all responsibility lies with the applicant.**

9. The documents/information uploaded by applicants to the application system will be preliminarily reviewed by our Institute and sent to the relevant Department for final evaluation. After the application deadlines specified in the announcement have expired, **no changes can be made** to the application, preferences, and/or scores.

10. Applicants are required to follow all announcements and notices posted on the Institute Directorate's website at http://lee.dpu.edu.tr.

11. Final registration procedures **will be carried out in person, with a power of attorney certified by a notary or a Turkish diplomatic mission abroad.**

12. Our Institute Directorate **does not have any agreements/protocols with any public/private institutions, organizations, NGOs, etc. that include registration discounts**.

13. The Institute Directorate reserves **the right to make changes** to the announcement, application and registration conditions..
